Quindalup Room's Philosophy

The Quindalup classroom offers our 3 and 4 year old funded kindergarten program. Educators in the classroom provide experiences which are responsive to the children's inquisitive minds.

Our learning experiences are directed towards social and emotional growth as well as physical and cognitive development, encouraging children to explore ideas and use their imagination.

Educators help guide children in valuing different perspectives by providing the children with positive social tools.

MEET OUR TEAM

At KOQP, we prioritize consistent staffing to develop strong one-on-one relationships with each child. This approach fosters trust, comfort, and personalized support, ensuring every child feels valued and empowered to thrive.

EDUCATIONAL PROGRAM

PLAY BASED AND CHILD-DIRECTED CURRICULUM

Children's learning is central to everything we do. Children are encouraged to participate in a variety of activities to extend and develop their knowledge and skills.

At KOQP, we acknowledge all children being highly competent researchers, inquirers, adventurers, learners and communicators.

In order to facilitate every child's learning and development, our curriculum is carefully designed based on National Quality Framework (NQF), National Quality Standard (NQS), the Early Years Learning Framework (EYLF) and the Victorian Early Years Learning and Development Framework (VEYLDF).

ROOM ROUTINE

6:30am - 8:00am	Arrival & Breakfast	Children arrive and educators welcome them in to the family grouping area in the Kindergarten room (Quindalup). Breakfast options include cereal, toast & fruits.
8:30am - 10:00am	Outdoor Play	Children enjoy some outdoor self-directed play. Morning tea is served during this time, which consists of a variety of cut up fruits.
10:00am - 10:15am	Group Time	We transition indoors for morning group time. Children sit together with the educators where they have group discussions, sing & dance, read stories, etc.
10:15am - 11:00am	Indoor Play	Children are able to play and explore with the resources available in the classroom. Any planned activities and experiences will be engaged in during this time.
11:00am - 11:30am	Lunch	Lunch is served - the item on the menu board will be served in large bowls for the children to dish up themselves with some serving utensils. Some children may also bring in lunch boxes from home to enjoy instead. Children will clean up their own space by cleaning their bowls, putting away their chairs and water bottles, and wiping down their table.
12:00pm - 2:00pm	Indoor/Outdoor Play	Children are able to move between playing in the indoor or outdoor space, depending on weather and number of educators.
2:00pm - 2:30pm	Afternoon Tea	Afternoon tea is offered, which consists of some more cut up fruit and a sweet/savoury treat with a cup of milk.
2:30pm - 3:30pm	Indoor Play	Children continue their indoor play activities.
3:30pm - 3:45pm	Pack Up Time	Children help to pack away the classroom by putting all the toys back where they belong and stacking the chairs.
3:45pm - 4:00pm	Group Time	Children enjoy some group meditation to relax their bodies, read a story and enjoy some sandwiches as a late afternoon snack.
4:00 - 5:45pm	Outdoor Play/Family Grouping	Quindalup and Omaroo (toddler) children combine for some outdoor play in the yard. Depending on weather and daylight savings, we may play inside towards the end of the day. Children begin to start getting picked up during this time.
6:30pm	Centre Closes	

WHAT MAKES US UNIQUE

SUSTAINABLE ENVIRONMENT

At KOQP, we prioritize eco-friendly materials and practices. Outdoor spaces connect kids with nature, teaching them the importance of conservation. Recycling program, compost bins, eco-friendly habits start at young age early on.

HOMELY ATMOSPHERE

At our homely childcare center, warmth and care are paramount, creating a nurturing atmosphere where children thrive. With cozy spaces and personalized attention, we cultivate a sense of belonging and security for every child.

COMMUNITY INVOLVEMENT

Community involvement is at the heart of KOQP, where local partnerships enrich learning experiences and support family engagement. We work together with families, local age care Centre, recycling unit, local businesses to build strong connections, empowering both children and the community to flourish together
